Report contents

Prepared for Synthetic QA fixture - not user data. Hellenistic framework: Aries rising, Day chart.

1. Natal chart wheel and technical foundation
2. Factual chart reference ledger
3. Sources, methodology, and calculation notes

How to use this report

Read the technical foundation before the later chapters. Each condition factor remains separate so one dignity, difficulty, or prominent placement cannot silently become the whole judgment.

Traditional doctrine boundary: the seven traditional planets govern rulership, dignity, sect, Lots, dispositorship, and time-lord technique. This report does not introduce modern psychological or evolutionary astrology. Uranus, Neptune, and Pluto are not included.

Use this document as a frozen calculation record. It preserves exact chart facts and provenance with zero interpretive claims, predictions, personality keywords, or aggregate scores.

Introduction

This factual reference preserves the selected saved chart as calculated: exact angles, seven traditional planets, twelve Whole Sign houses, the Lots of Fortune and Spirit, and the versions used to produce the artifact.
